Group Exercise Class Descriptions

All group exercise classes (with the exception of Spinning) are located on the second floor of MCAC.

ALL CLASSES 50 MINUTES UNLESS OTHERWISE STATED

Barre (Medium Intensity)

Barre is a fusion of ballet, pilates, yoga, and strength training in each workout. May use light weights (2-5lbs), glider discs, and a barre or chair if at home. This is a progressive workout that gets more challenging as the month goes on and is new each month.

Cardio Fit (High Intensity)

Variable-intensity interval training (VIIT) program. You will experience 3 different workouts in which you rotate between high-intensity interval training (HIIT) with medium-intensity (strength) and low-intensity (recovery) periods for a more efficient workout.
New class each week.

Cardio Barre (Medium Intensity)

A fusion of ballet, pilates, yoga, cardio, and strength training in each workout. May include small props.
New class each week.

Full Body Strength (Medium/High Intensity)

Timed intervals with a combination of mobility, strength and high intensity cardio in each circuit or round. Each round focuses on frontal, sagittal, or transverse movement patterns. May use weights, glide discs, small balls, and a step.
New class each month.

Hiit & Strength (High Intensity)

This workout class delivers intervals of intense cardio and/or strength exercises paired with active recovery. Through a variety of simple, yet intense exercises, no matter what your workout goals are, each class will deliver what you are looking for.
New workout each week.

Kick & Core (High Intensity)

A high-energy mix of fun, cardio kick-boxing exercises, along with some core & stretching.

Pilates/Yoga (45 minutes) (Low Intensity)

A blend of mat-based pilates exercises and yoga-based exercises. Straps and blocks will be used to aid in stretching. Savasana to end each class. Class changes each month.

Pilates (Medium Intensity)

Mat based class focusing on strength, flexibility, and stability. Small props may be used. Suitable for all levels.

Spinning = 45 min/Spin 60 = 60 Minutes (High Intensity)

A multi-level indoor cycling class. Work at your proper level with a suggested heart rate monitor. All levels are welcome. Come early to get set up and choose your bike.

Total Body Stations (High Intensity)

Cardio & Strength circuit style class as you move from station to station. Will include upper body, lower body, compound exercises, and cardio stations that you will visit during class.
New class each week.

Yoga (Low Intensity)

75 minute class. All levels are encouraged. Stretching, salutations, breathing, and balance.

Yoga Flow (Medium Intensity)

A moderate-intensity yoga class that will include poses that flow together. Will include floor and standing poses, and savanna finale.

My Dance Class - THURSDAYS at 5:30 PM

A high energy cardio dance class with original choreography, great music, and scalable for all levels of dancer. Email mydanceclasscc@gmail.com for more information

Row & TRX (50 Min) (additional charge applies)

WaterRower machines are powered by water and a unique flywheel technology that allows you to create your own resistance and give an experience more authentic to rowing on the water. Each machine features a monitor that provides instant feedback on pace, distance, and more allowing individuals to gauge improvement in each class and over time.

With the addition of the TRX suspension trainers, Barres, and other small equipment the class is taught with intervals on and off the Rowers. This small group class is limited to 6 people and allows for more personal attention in each class.
